

## **\$500.00 TECHNICAL AWARD (2 awards)**

**The purpose of the O.S.S.T.F. Technical Award is to identify two outstanding Senior Division Technical Students in the Rainbow District School Board.**

The following criteria has been established for choosing the **two (2) outstanding technical students for this award:**

- The student must be graduating and they must have excelled in technical subjects. Please give their grades in all technical courses from Grade 9 on. Consideration is also given to the student's future plans in this field and to their involvement in related extracurricular activities. OYAP and /or related Coop placements may also be considered and noted in the application form.
- The nomination process should involve both the Student Services Program Leaders and the Technical Teachers. A letter of support must accompany the nomination.

**If you have technical students who you feel would be eligible for the Technical Award, please submit their names and all required information to the District 3 Office by email to [osstf@d03.osstf.ca](mailto:osstf@d03.osstf.ca). Packages can also be faxed to 705-692-0154.**

**Annual deadline for submissions: May 1st.**

Late submissions will not be considered.
